Confirm in Workday that your payment type is set to “Direct Deposit – Email Payslip” and you provide your personal email address so you can receive your final payslip via email. (Select ‘Actions’ from your profile > Personal Data > Maintain My Payment Elections) Remember to print prior pay slips before you leave the site.

Change of Mailing and E-mail Address

Before you leave, **review your mailing address, personal email address and direct deposit bank information** in Workday under the Actions > [Personal Data](#) in your profile.

It is important to keep your mailing address updated before and after you leave Micron for Stock, 401(k), COBRA Insurance and tax purposes (W2’s & 1095-C’s). After you leave, you can access your account in Workday to update your address and bank information as well as access some of your worker documents. Information on how to access Workday for 90 days after you leave Micron will be sent to your personal email listed in Workday on your last day of employment. After separation, you may also contact Global People Services at Micron by sending an email to HRSupport_NA@micron.com.

When do my benefits end?

- Your health, life and disability insurance ends at midnight the last day of the month in which you separate from Micron.
- Vesting calculation for the Micron 401K RAM Plan ends on your Micron separation date. If your separation occurs less than two years from the date of your hire/rehire/conversion/permanent transfer to the US date, you will not be fully vested in the 401K Plan.
- Your active Team Member Employee Assistance Program (EAP) enrollment ends on the last day of the month in which you separate from Micron. The EAP provides complimentary services for the first 90 days following your separation date. If you wish to continue the EAP services beyond the 90 day complimentary period, you must enroll in continuation coverage under COBRA. See page 3 for additional details on the COBRA enrollment process and required timelines.

- If you were participating in the Health Care, Limited Purpose or Dependent Day Care Flexible Spending Accounts (FSA), you can be reimbursed for any eligible expenses you incurred on or before the last day of the month of separation. Note: the FSA Benefits Card (debit card) is deactivated as of your separation date. Reimbursement claims can be submitted to Flores & Associates. The deadline to file claims is March 31st of the following calendar year. www.flores247.com
- Contributions to the Health Savings Account (HSA) stop when your employment ends, however, you still have access to the funds in your account. (High Deductible Medical Plan participants only)
- Other benefit programs such as Included Health, Accident Injury, Critical Illness, Galleri Early Cancer Detection, and other Benefit programs end on the last day of the month of separation.

My spouse is a Micron employee. Can I be added to his/her plan?

- Yes, your spouse may elect to add you to their medical, dental, and/or vision coverage plan(s). Your coverage on your spouse's plan will begin on the first day of the month following the date of the insurance change election using [EnrollNow/](#). The insurance change must be submitted within 60 days of the loss of coverage. Depending on the timing of your spouse's election in ENROLLNOW, this may result in a gap in your insurance coverage in which you may elect COBRA coverage, if you wish.
- There is one important exception to the above rule. If your spouse participates in the Kaiser Permanente HMO, or the CIGNA International Plan, they must complete their change election on [EnrollNow/](#) within **31 days** of the loss of coverage.
- For yourself and any covered dependents transitioning from your policy to your spouse's policy, Blue Cross of Idaho will credit Year-to-Date Deductible and Out-of-Pocket Maximum amounts toward your Deductible and Out-of-Pocket Maximum's under your Spouse's Blue Cross of Idaho Micron medical plan.

Which benefits can be continued?

You and/or your covered dependents can elect to continue participating in Micron's health plans, EAP and/or health care FSA after your employment ends at Micron.

Micron's COBRA administrator is WEX. WEX will mail information to your current home mailing address on file with Micron about your continuation rights (also known as COBRA). Watch your mail at home for this important COBRA packet, which will arrive within 15 days from your benefits end date. Contact WEX directly if you do not receive your COBRA packet within 15 days from the end of your active coverage or additional COBRA questions at 1-877-837-5017.

**Note: The COBRA notification process is automated based on your end of coverage date. You are not able to facilitate COBRA enrollment prior to completion of this automated system process.*

1. Continuing **medical, dental, vision, employee assistance program (EAP), clinic plan coverage** and/or your **health care flexible spending account (FSA)** through COBRA.
 - You have 60 days from the date your coverage ends, or from the date of Micron's notification of your COBRA rights, whichever is later, to choose to continue your medical, dental, vision, EAP, Clinic plans, and/or Health Care FSA through COBRA. However, your coverage will not be reinstated until you have completed your election to continue coverage **and** paid the required premium due. Often the premium due to reinstate coverage will exceed one month COBRA premium coverage as your initial premium includes retroactive COBRA coverage to the first day of the month following the end of your active team member coverage, and the current month COBRA premium.

- Note, all COBRA enrollment and payment activities must occur following generation of your COBRA packet. We are not able to expedite the timing of your COBRA packet. **Allow 7-10 business days after your payment is received by WEX for coverage to be reactivated at the insurance company(ies).**
 - During the period between your active benefits being terminated and your COBRA benefits being activated, you may need to pay out-of-pocket for any incurred claims and submit for direct reimbursement. Any out-of-pocket expenses that would normally have been covered by insurance can be reimbursed to you through the applicable insurance company once your coverage has been retroactively reinstated – which means there will be no gap in coverage.
 - Under COBRA, your Year-to-Date deductible and out-of-pocket maximums will carry over from your active Micron benefits coverage through the remainder of the calendar year.
 - You can be reimbursed for any FSA eligible expenses, for claims you incur before the last day of the month of your separation date. Under certain circumstances, COBRA may allow you to continue participation in the Health Care FSA on an after-tax basis if you have not already claimed the maximum amount of reimbursement for which you are eligible in the year. The Dependent Day Care FSA is not eligible for continuation through COBRA.
 - The COBRA packet explaining your enrollment and payment procedures if you choose to continue your current medical, dental, vision, EAP, Clinic plans, and/or health care FSA through COBRA is mailed to your home address. Contact WEX at **1-877-837-5017** if you do not receive your COBRA letter within 15 days from the date your active benefits ended (not from your separation date).
 - If your COBRA enrollment and full Initial Premium payment is not made in a timely manner, you will not be eligible for COBRA coverage.
 - For immediate information about your continuation rights, including [COBRA premium rates](#), see the last page of this document or the Health Care Continuation Coverage Notice section in your Benefits Handbook available at micron.com/careers/benefits.
 - Monitoring of timely COBRA premium payments on www.mypremiumbill.com is your responsibility. If COBRA coverage terminates due to a late or missing COBRA premium payment, ***it cannot be reinstated.***
2. You may be able to get coverage through the **Health Insurance Marketplace** that costs less than COBRA continuation coverage.
 - The Marketplace offers “one-stop shopping” to find and compare private health insurance options. In the Marketplace, you may be eligible for a tax credit that lowers your costs. You can see what your premium, deductibles, and out-of-pocket costs will be before deciding to enroll. Through the Marketplace you’ll also learn if you qualify for free or low-cost coverage from Medicaid or the Children’s Health Insurance Program (CHIP). You can access the Marketplace for your state at www.HealthCare.gov.
 - You have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. To find out more about enrolling in the Marketplace, visit www.HealthCare.gov.
 3. If you are eligible for Medicare or enrolled in Part A but no other part of Medicare (such as Part B), you should immediately apply for all Medicare benefits you are entitled to and avoid penalties for late enrollment. Note that the COBRA pays secondary to Medicare. This means that enrolling in all eligible Medicare benefits is necessary to ensure you’re properly covered. Contact your local Social Security Administration office for more information.
 4. If you are enrolled in the Kaiser HMO Plan, eligible for coverage under the California Continuation Benefits Replacement Act “Cal-COBRA” and exhaust the COBRA coverage period under Micron (generally 18 months), you may be eligible for additional COBRA coverage. You must apply for continuation of COBRA coverage under Cal-COBRA directly with Kaiser. See the Kaiser Evidence of

Coverage document or call Kaiser Northern California at 800-464-400 for additional details and deadlines for enrollment. Cal-COBRA is a California state program that may provide you an extension of Kaiser HMO coverage beyond the standard COBRA benefit.

What happens with my Health Savings Account (HSA)?

High Deductible Medical Plan participants are no longer be eligible to contribute to their HSA once employment ends. Your HSA bank account will convert into a retail account, that has monthly fees associated with it and a new HSA debit card will be issued. However, you will still have access to your account and can use the funds as you choose. Withdrawals for qualified medical expenses will still be tax-free. Additionally, similar to how IRAs and 401(k) plans work, you can roll over your HSA funds into another HSA at any time.

Generally, you cannot use HSA funds to pay insurance premiums. Exceptions include COBRA premiums, long term care premiums, or premium payments that allow you to retain health coverage while you are receiving unemployment benefits.

The HSA only applies to those team members who enrolled in one of the High Deductible medical insurance plans. Your account is still accessible from Fidelity's portal, including the history of the account. Participants will need to create a new login with a personal email address, as your Micron email address is no longer valid after separation.

For additional information, contact Fidelity at 1-800-835-5098 or www.401K.com. If you have remaining HSA funds in Micron's prior HSA administrator, Flores & Associates, contact them at 1-800-532-3327 or www.flores247.com.

What happens with my Retirement at Micron (RAM) 401(k) Plan account?

There are important tax implications for your RAM 401(k) Plan account. You should consult your tax advisor about your options, which include the following choices. Remember to **keep your address and beneficiary information updated** with Fidelity through their website at www.401k.com. You will receive the Participant Distribution Notice directly from Fidelity (see 4(d) below) which will provide more detailed information about your RAM 401(k) Plan choices. You may choose to:

1. **Leave your money in the RAM 401(k) Plan if the vested balance is \$1,000* or greater.**
 - Your account balance will remain in the plan unless you elect to take a distribution. You will no longer be able to contribute to your account, but you can leave your funds in the plan and manage your investments by calling Fidelity at (800) 835-5098, or by accessing Fidelity's Web site at www.401k.com. Because your employment with Micron has ended, you will not continue vesting on any unvested portion of your account balance.

**If your account balance is less than \$1,000 at the beginning of the quarter when Fidelity determines the value of your account, the Plan will make a distribution. You will receive a written notification from Fidelity if it is determined that the value of your account is less than \$1,000 and a distribution is required. This notification provides you the opportunity to roll your money into another account instead of taking a taxable distribution.*

2. **Rollover your account balances into another qualified retirement plan or into an Individual Retirement Account (IRA).**
 - On or after a 21-day waiting period from your Micron separation date, you may choose to move your retirement money directly into another employer's retirement plan. If there is a waiting period to participate in the new plan, you may move your retirement money into a Rollover IRA during the waiting period. This will protect your RAM 401(k) Plan balance from taxes and

penalties. Not all employer plans accept rollovers; contact the plan administrator at your new employer to identify your options.

- You may also move your retirement money into a new or existing IRA with the intent of leaving the money in that IRA. This may allow you to avoid taxes and penalties.
- Because your employment with Micron has ended, you will not continue vesting on any unvested portion of your account balance.

3. **Have the vested balance of your account paid directly to you.**

- If you have your vested account balance paid to you, you will pay income tax on the entire amount you receive from your pre-tax account. You generally will also pay penalties for early withdrawal if you are under age 59 1/2. Taxes and penalties for early withdrawals can exceed 40%.
- Because your employment with Micron has ended, you will not continue vesting on any unvested portion of your account balance.

4. **Follow these steps if you want a cash distribution or rollover.**

- a) Call Fidelity at (800) 835-5098 between 6:30 a.m. and 6:00 p.m. MT. Fidelity will be able to process your request if it has been **at least 21 days** since your Micron separation date.
- b) Be prepared to provide the Micron RAM 401(k) Plan number: 89794.
- c) If Fidelity does not have your current address, you will need to update it before requesting a distribution. You can update your address by calling Fidelity at (800) 835-5098 between 6:30 a.m. and 6:00 p.m. MT.
- d) Fidelity will send you a Fidelity Participant Distribution Notice. You may also review this notice on Fidelity's Web site. You have the right to consider your distribution choices for at least 30 days after the Participant Distribution Notice is provided, but you may choose to waive that waiting period.
- e) If you are choosing to rollover your money to an IRA or another plan, Fidelity will need the name of the trustee for your new qualified plan or IRA.
- f) It is important that you maintain your current address information at Fidelity throughout the year of the rollover or distribution so that tax documents can be sent to you.

If you have an outstanding loan in your RAM 401(k) Plan, following the end of your employment at Micron, your payroll deducted loan repayment will end.

- If you intend to repay your loan, you must **contact Fidelity at (800) 835-5098** between 6:30 a.m. and 6:00 p.m. MT to make repayment arrangements and receive further instructions. For loan repayment, you may elect to:
 1. Pay your loan in full. The payoff must be made no later than the last day of the calendar quarter following the calendar quarter in which you terminated employment with Micron.
 2. Continue scheduled payments. Repayment may be continued through ACH from your checking account on a monthly schedule.

Payments must be made directly to Fidelity.

Note: If a distribution is requested prior to paying off the loan, the loan will be defaulted. If you miss loan payments, or fail to make continuing payment arrangements timely, your loan is at risk for default.

- If you do not repay your loan, any outstanding loan balance is considered a "deemed distribution" and it will be subject to income tax and possible penalties.

What happens to my NQDC account at Fidelity?

Upon separation of Micron employment, or permanent transfer to a Micron location outside the United States, Fidelity will process your distributions as soon as administratively possible following the separation based on your distribution elections made during enrollment for each calendar year.

Contact Fidelity at 1-800-835-5098 for further information regarding your distribution elections.
